### C. S. Theme - Atomic Force

The question, "Is the Universe, including Man, Evolved by Atomic Force?" will be the Sunday Bible Lesson subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, including the Torrance church. The Golden Text is from I Chronicles: "Sing unto the Lord, all the earth; shew forth from day to day His salvation. Declare His glory among the heathen; His marvelous works among all nations."

Under the auspices of Youth For Christ, he returned to Japan three months ago, where he spoke in churches, universities, and youth rallies. During his stay, he contacted some of the prison guards that had administered punishment to him during world war II. On personal invitation of General Douglas MacArthur, Zamperini was able to see first hand the work of Communism, which he will relate in his address. He also visited Hiroshima on which the first atomic bomb was dropped.

Meetings are open to the public and admission is free. Zamperini, who was a member of the U. S. Olympic Team in 1936, also gained fame as a war hero, having been shot down and imprisoned by the Japanese for three years. He was "converted" a year ago, under the
